B30S LEVEL OF EFFORT - TERM (JUN 2004)

(a) The level of effort of each Sub Line Item Number (SLIN) of this task order is as follows:

CLINS	Manhours
0001AA	██████
1200	██████
1300	██████
1400	██████

CONTRACT NO. N00178-04-D-4126	DELIVERY ORDER NO. N401	AMENDMENT/MODIFICATION NO. 23	PAGE 4 of 33	FINAL
----------------------------------	----------------------------	----------------------------------	-----------------	-------

1500

The term of each SLIN is defined in section F of the task order. The total estimated level of effort is expected to occur evenly over the task order term.

(b) In the event that the incurred level of effort exceeds by 3% or less of the task order requirement, but does not exceed the estimated cost of the task order, the Contractor shall be entitled to cost reimbursement for actual hours expended, not to exceed the ceiling cost. The Contractor shall not be paid fixed fee, however, on level of effort in excess of 100% without complying with subsection (f) below. This understanding does not supersede or change subsection (f) below, whereby the Contractor and Government may agree on a change to the task order level of effort with an equitable adjustment for both cost and fee.

(c) Either the "Limitation of Cost" or the "Limitation of Funds" clause, depending upon whether or not the task order is fully funded, applies independently and nothing in this clause amends the rights or responsibilities of the parties hereto under either of those two clauses. In addition, the notifications required by this clause are separate and distinct from any specified in either the "Limitation of Cost" or "Limitation of Funds" clause.

(d) The Contractor shall notify the Task Order Ordering Officer immediately in writing whenever it has reason to believe that:

(1) The level of effort the Contractor expects to incur under the task order in the next 60 days, when added to the level of effort previously expended in the performance of the task order, will exceed 75% of the level of effort established for the task order; or

(2) The level of effort required to perform the task order will be greater than the level of effort established for the task order.

As part of the notification, the Contractor shall provide the Task Order Ordering Officer a revised estimate of the level of effort required to perform the task order. As part of the notification, the Contractor also shall submit any proposal for adjustment to the estimated cost and fixed fee that it deems would be equitable if the Government were to increase the level of effort as proposed by the Contractor. Any such upward adjustment shall be prospective only; i.e., will apply only to effort expended after a modification (if any) is issued. However, whether an increase in fixed fee is appropriate shall depend on the circumstances involved, and, except as otherwise provided in the task order, shall be entirely within the discretion of the Contracting Officer. In no event, however, shall the fixed fee be increased unless the revised level of effort exceeds the previously established level of effort by more than 10%.

(e) In the event that less than 100% of the established level of effort, or if said level of effort has been previously revised upward, of the fee bearing portion of the additional hours by which the level of effort was last increased, is actually expended by the completion date of the task order, the Government shall have the option of;

(1) Requiring the Contractor to continue performance, subject to the provisions of the limitation of cost clause, or, as applicable, the limitation of funds clause, until the effort expended equals 100% of the original level of effort or of the fee bearing portion of the last upward revision; or

(2) Effecting a reduction in the fixed fee by the percentage by which the total expended man-hours is less than 100% of the original level of effort or the fee bearing portion of the last upward revision.

(f) Within thirty days after completion of the task order, the Contractor shall submit the following information in writing directly to the Task Order Ordering Officer, the TOM and the Defense Contract Audit Agency office to which vouchers are submitted.

(1) The total number of man-hours of direct labor expended;

(2) A breakdown of this total showing the number of man-hours expended in each direct labor classification listed in the task order schedule, including the identification of the key employees utilized.

(3) The Contractor's estimate of the total allowable cost incurred under the task order,

(4) In the case of a cost underrun, the amount by which the estimated cost of the task order may be reduced to recover excess funds.

B42S OPTIONS (JUN 2005)

The additional items of supplies or services available under the Options clause of this task order, the applicable Line Item, and the exercise dates are specified below:

Option No.	Exercise Date - No Later Than
2	10/30/2006
3	10/30/2007
4	12/31/2008

B43S OPTIONS AND BASIC AWARD TERM (JAN 05)

This task order contains options that, if exercised, would go beyond the current contract period of performance. The Government and the Contractor agree that no option will be exercised that exceeds the contract period of performance.

B51S PAYMENT OF FIXED FEE - TERM AND COMPLETION (SEP 2004)(Applies to 0001 Series SLINs)

(a) The fixed fee, as specified in Section B of this task order, subject to any adjustment required by other provisions of this task order, will be paid in installments to be paid at the time of each provisional payment on account of the allowable cost. The current installment is the amount of fixed fee earned to date and not previously billed.

(b) Determine the total amount of fee earned to date as follows. Divide the current total estimated cost (minus other direct costs) of the order by the current fixed fee. Multiply the result by the incurred costs (minus other direct costs) to date.

(c) Completion Orders: The Contractor is entitled to the full fixed fee amount upon the acceptable completion of the order.

(d) Term Orders: Fee shall be paid only for hours performed, not to exceed the fixed fee amount stated in the order.

(e) Withholding. As provided in the clause entitled, Fixed Fee (FAR 52.216-8), the Task Order Ordering Officer hereby withholds 15% of all fixed fee payable under the task order up to the stated maximum of \$100,000. Invoices submitted under the task order shall indicate fixed fee withheld.

B51SA PAYMENT OF FIXED FEE - TERM (NOV 2005)(Applies to 1000 Series CLINs)

(a) The fixed fee, as specified in Section B of this contract, subject to any adjustment required by other provisions of this contract, will be paid in installments to be paid at the time of each provisional payment. The amount of each such installment is to be in direct ratio of the total fixed fee as the net direct labor hours expended during the installment period is to direct labor hours specified in the clause entitled, Level of Effort - Term.

(b) Fee shall be paid only for hours performed, not to exceed the fixed fee amount stated in the order.
